

Your Path to Examination Success!

These post-prelim sessions are designed with four key goals in mind to provide you with the targeted support you need to excel.

Address specific areas where you need the most help.

Solidify your understanding of crucial exam topics.

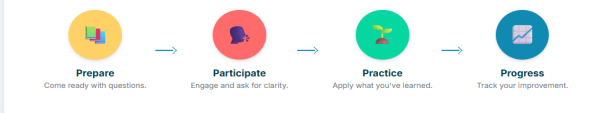

Feel prepared and ready to tackle any question.

Gain the tools to achieve
your best possible results.

Your success is a continuous cycle of preparation, participation, and progress. Follow these steps to make the most of your consultations and build momentum for your exams.

To unlock your full potential, we have a few key expectations. Embrace them to make your consultation journey a success.

- The diagram illustrates the four key components of a flipped classroom, each in a light blue box with a rounded corner and a small icon in the top left corner. The boxes are arranged in a 2x2 grid and are interconnected by a network of thin, light blue lines. The components are:

 - Attendance & Punctuality** (Icon: Clock):
 - Attend all sessions consistently and on time.
 - Inform your teacher in advance if you are unable to attend.
 - Arrange alternative times for any missed sessions.
 - Preparation & Materials** (Icon: Book):
 - Bring all relevant textbooks, notes, and stationery.
 - Complete any pre-session tasks assigned by your teacher.
 - Prepare specific questions or topics for clarification.
 - Active Participation** (Icon: Person with speech bubble):
 - Engage actively and ask questions when in doubt.
 - Participate in practice exercises and examples.
 - Take detailed notes for future reference and revision.
 - Learning Commitment** (Icon: Person with checkmark):
 - Show a positive attitude towards learning.
 - Take ownership by identifying your knowledge gaps.
 - Practice consistently outside of consultation hours.
