

Unity Secondary School

Lifelong Learners, Inspiring Leaders

10 April 2026

Dear Parent/Guardian,

Term 2 Weighted Assessment (WA): Sec 3 G3, G2 and G1 subjects

We hope that your child/ward has settled well into the term and continues to make good progress in their learning. In support of this, please take note of the schedule for your child's/ward's Weighted Assessments (WA) this term.

We encourage your child/ward to demonstrate self-directedness, manage their time well and put in consistent effort in their studies throughout the year. The WAs serve as valuable checkpoints for students to gauge their progress and readiness for various subjects.

The exact day on which each WA will be conducted will depend on the respective class timetable. Your child/ward will be informed by their teachers in advance. Please note that there may be a maximum of two WAs scheduled in a day.

The updated Assessment Plan will be made available on the school website: <https://www.unitysec.moe.edu.sg/students/Students-Resources/assessment/>

Should you have further questions or concerns, please contact us at 67671070 or email unity_ss@moe.edu.sg. Alternatively, you may contact your child/ward's Character Coaches for clarification.

Thank you for partnering with us to support your child/ward in his/her learning.

Yours sincerely,

Dr Mohamed Faizal Bin Badron
HOD/ Curriculum, Instructions and Technology
